ABOUT HUGHES FURNITURE

We are proud to be an American manufacturer and operate 22 production divisions across 10 manufacturing locations with a diverse workforce of over 740 employees all in the Randleman, North Carolina area.

Hughes Furniture Industries is a family owned business started in 1963. We are committed to quality in every step of our manufacturing process. This begins with milling and drying our own hardwoods at our Asheboro, North Carolina, lumberyard facility to ensure that our frames are built to last without warping, twisting, or cracking. From there, the lumber travels to one of our Randleman frame shops where the wood is cut, shaped, and assembled into the highest quality frames available.

The foam and fiber parts, built with eco-friendly practices and recycled materials, are cut to size at one of two nearby foam processing plants. These components are then joined in one of our Randleman manufacturing centers where they are assembled into your piece of furniture.

Our fabric is sourced from around the world and selected for its quality, style and value. It is stored in our climate-controlled fabric warehouse, and is then cut, sewn and applied to create your finished piece of upholstered furniture. To prepare for shipment we wrap the furniture in cardboard wrapping and finish it off by bagging it to keep your furniture clean and protected from the elements during transportation to your door. After wrapping and preparing for shipment, each piece is then moved to our distribution center where it is loaded for delivery or staged in the warehouse as part of the Quick Ship Program, ready to be shipped within 72 hours of your order.

LIMITED WARRANTIES

The following Limited Warranties are given to the original retail purchaser of furniture manufactured by Hughes Furniture Industries, Inc. ("Hughes Furniture").

FRAMES

Hughes Furniture warrants to you, the original retail purchaser, that all hardwood and plywood frames will be free of defects in workmanship and material for one (1) year from the original date of purchase. Under this warranty Hughes Furniture's obligation is limited to repairing or replacing any part or parts covered under this warranty. Costs for packaging, shipping and installation are not covered by this warranty.

FABRICS AND LEATHER

Hughes Furniture warrants to you, the original retail purchaser, that all upholstery fabrics and leather products will be free of defects in workmanship and materials, including fraying and seam slippage, for one (1) year from your date of purchase. This warranty is not valid for any damage or problems with fabric or leather where there is evidence of excessive soiling, improper cleaning, physical damage or abuse. This warranty also does not apply if there has been a protective coating treatment after the original shipment to the retailer. Leather exhibits natural characteristics such as nicks, scars, variations of shades and wrinkles. These markings are to be expected and are not considered to be defective. In addition, this warranty will not cover any damage to leather resulting from sun exposure – leather will fade. Stains of any kind will invalidate this warranty, including but not limited to grease, mud, beverage or food spills, stains caused by chemicals, cleaners or biological stains from either pets or humans. Pet hair will damage your furniture covering and will also invalidate this warranty. Under this warranty Hughes Furniture's obligation is limited to repairing or replacing any part or parts covered under this warranty. Costs for packaging, shipping and installation are not covered by this warranty.

WORKMANSHIP

Hughes Furniture warrants to you, the original retail purchaser, that the manufactured components, other than those for which a different warranty period has been separately specified, will be free of defects in workmanship and material for one (1) year from your date of purchase.
